

General Tariff Information

Service Provider	<i>Ooredoo Q.S.C (Formerly QTel) Q.S.C.</i>
Tariff Number	C11-01
Service Name	<i>International Saver Key Hala Smart for consumers (Weekly)</i>
Tariff Type	Promotion
Tariff Effective Date	14 th August to 11 November 2014

Tariff Modifications:

- Price for local on-net (Ooredoo to Ooredoo) voice calls is reduced from current 20 Dhs/min to 10 Dhs/min in following products:
- Prepaid International Saver Key (ISK)
- Hala Smart for consumers (Weekly)

Conditions: The following conditions apply to this promotion:

- The 10Dhs/min on-net local call rate is applicable for new and existing customers till 12th October 2014.
- The rate of 10 Dhs/min is applicable for calls to Ooredoo mobile and Ooredoo landlines numbers.
- On Hala Smart packs the price change is only applicable to out of bundle on-net local call rate.
- On Hala Smart packs the out of bundle rate is applicable after consumption of local voice call minutes allowance in a pack.
- Both Hala Smart packs and ISK are valid for 7 days on auto-renewal basis.
- The Hala Smart pack and ISK can be deactivated within the validity time frame of 7 days. If the request for deactivation of Hala Smart Pack or ISK is sent 48 hours after the pack or ISK activation the rate of 10Dhs/min and packs' minute allowance will be applicable till original expiry date. If request for deactivation is sent within 48 hours of ISK or pack's activation the 10Dhs/min rate and pack's minute allowance will expire at time of the request for deactivation.
- General Consumer Terms and Conditions applies.
