*\*Allowance charges are applicable up to the maximum utilization of the monthly subscription charges amount (e.g if the customer consumed up to 5 MB, the monthly charge will be 359.66 QAR).*

At the beginning of each month the kick-off subscription monthly charge is 359.66 QAR with an allowance up to 5MB. If a customer during that specific month exceed the 5MB allowance and reach any usage value between (5-500) the monthly subscription charges will switch from the original 359.66 QAR to 3,996.08 QAR. The next month the allowance will reset again at the original charges of 359.66 QAR. The same applies if they have a usage that falls under any of the tiers shown in the table. Each month will be treated separately.

*Example: A customer that have a BGAN Standard+ plan that didn't use the service in January would get a monthly charge of 359.66 QAR. In February they used 15 MB, then the total monthly charge would be 3,996.08. In March the same customer used 4 MB, then the total monthly charge would be 359.66 QAR. In April, the customer had a total usage of 6,500 MB. The total monthly charge would be 15,984.32 QAR. In May, the total usage was 7 MB, then the total monthly charge would be 3,996.08*
