Tariff Effective Date	23 rd of June 2014

Tariff Modifications:

Conditions: The following are the conditions which apply to this promotion:

Ooredoo will provide the following customers with free access to the NEW Mozaic Go service which includes BOTH Live TV Streaming of News and Sports, as well as complete access to the Mozaic Video on Demand library.

The following existing customers who have an Apple Device (iPhone or iPad) with the software release (iOS6 or iOS7) will be eligible on the following plans:

- Shahry Unlimited Mobile Internet Pack customers
- Shahry Al Nohkba customers

The above mentioned customers will receive an SMS with a unique PIN – which will allow them to activate their Mozaic Go Subscription.

New customers to either of these plans will also be eligible, however will be sent an SMS the day after they subscribe to these plans to activate the service.
