6. Service provider obligations

- 6.1. Some or all fibre broadband services may not be available in the subscriber's area, their specific location or may not be compatible with their specific landline connection. In order to verify that Ooredoo can provide this service, Ooredoo will need to do the following:
- 6.2. Verify that the subscriber's landline is in an area where they can receive broadband services.
- 6.3. Verify that the technical characteristics of the subscriber's landline can support broadband services which may require performing a landline test.
- 6.4. Ooredoo is responsible for servicing and providing technical maintenance of the service. Ooredoo will not provide any maintenance of the subscriber's equipment, including any additional equipment necessary to connect the service. Ooredoo is not responsible for any delays caused in installation due to the subscriber's absence at the agreed installation date or time.
- 6.5. Ooredoo may, if necessary to protect the network system, suspend, terminate or downgrade a particular broadband service.

7. Subscriber obligations:

- 7.1. Minimum service period: The minimum service period for the fibre broadband service is three (3) months commencing from the date of activation of service. Subscribers terminating before the end of the minimum service period, will be liable to pay any outstanding monthly recurring charges for the full minimum service period.
- 7.2. Subscribers are responsible for backing-up their entire systems before broadband installation takes place and ensuring that the software installed in their computer equipment (and other devices) is compatible with the service and related software.
- 7.3. Equipment: With the exception of the CPE equipment provided by Ooredoo, the subscriber may also acquire the equipment that they intend to use to receive the service from a third-party, provided that all equipment used to connect to Ooredoo's networks and facilities is approved by CRA and is compliant with current requirements for technical standards and specifications. Ooredoo's General Terms and Conditions for Consumer Services, Article 11 (Connecting Subscriber Equipment).
- 7.4. The Subscriber shall comply with any reasonable request by Ooredoo concerning the configuration of their devices and/or the use of the service.
- 7.5. Ooredoo may require the subscriber to submit information reasonably related to the service or their connected data devices.
- 7.6. The subscriber undertakes to use the service personally and for their private interest, and shall not transfer the service or assign it to a third party without obtaining Ooredoo's prior written consent.
