**Addition of new section: Section 3.3**

3.3 Description of the promotional offer: The prepaid 15:15 promotion offers a prepaid mobile subscriber additional prepaid account credit of QAR15 free of charge once the subscriber has reached a daily expenditure target of QAR15.

3.3.1 A prepaid mobile subscriber may only make use of the free of charge prepaid mobile account credit of QAR15 during the same day (i.e. 24 hour period measured from midnight (i.e. 00:00:01) to midnight (i.e. 23:59:59) on the same day) and may only receive the benefit of the promotion once during each day (i.e. 24 hour period measured from midnight to midnight on the same day).

3.3.2 Qualifying daily subscriber expenditure includes all prepaid mobile services with the exception of expenditure on the prepaid Blackberry service, subscription based services, mobile internet and/or broadband usage and premium-rated calls and/or messages. In particular, expenditure on the following prepaid mobile service features qualifies for the promotion and any awarded free of charge daily prepaid account credit may be redeemed through usage of the same services:

- Voice calls – local, international, roaming ,collect call, call forward
- Video calls – local, international, roaming
- SMS (local, international, roaming)
- MMS (local, international)

3.3.3 Standard charge rates for all service features subject to the promotion remain unaltered.
