Tariff Effective Date	<i>2 January 2012</i>
Tariff End Date	<i>2 February 2012</i>

Proposed Tariff Modifications:

Addition of new section: Section 4.7.2

4.7.2 Fan Community Service:

4.7.2.1 Service description: New and existing Prepaid Mobile Service subscribers will have the option of an add-on one of the three 'Hala Communities': HALA India, HALA Philippines, and HALA Egypt Community service variant that is available starting from 2 January until 2 February 2012 and will also include the "Stop-the-Clock" benefit which enables customers to make calls back to either Egypt, India, or Philippines. This benefit has the advantage of the customer speaking for the first 5 minutes of the international call and the next 5 minutes are free of charge.

4.3.2.3 International Pricing

International pricing to the respective countries will be at the following rates:

Country	Rate per minute (QR)
India	0.35
Philippines	0.66
Egypt	0.66

4.7.2.2 Conditions:

4.7.2.2.1 The service will be available upon subscription for a flat fee of QAR 15 per week that will be deductible from the customer's credit. The service provides a usage allowance of 150 units that can be used for national voice, video calls, SMS within one 'Hala Community' Community Group only. Each Community member will be entitled to a private entitlement of 150 units. Private entitlement units can be used for calls to another community subscriber. In the event that a community subscriber has consumed their total allowance before the validity expired, the subscriber will still be regarded as a community member for the purpose of receiving calls and messages from other HALA 'HALA Community' subscribers but will be charged at standard outgoing call and message charge rates for any traffic that they subsequently originate to other HALA 'HALA Community' subscribers.

4.7.2.2.2 Any unused units will not be carried forward and will expire after 7 DAYS (the validity period)

4.7.2.2.3

4.7.2.2.4 Cancellation of the 'HALA Community' Community Service will not be available and the service will terminate automatically at the end of the validity period.

4.7.2.2.5 All other terms and conditions of the prepaid mobile service continue to apply.

4.7.2.3 Charging: National call minutes and messages between community Group subscribers will be depleted from a subscriber's allowance. Each unit is equivalent to 1 minute of calling or 1 message. All other calling and/or messaging service usage to individuals that are not subscribers of the "HALA Community' Group will be subject to Qtel's standard prevailing prepaid mobile charge rates.
