2. Tariff Terms and Conditions

- 2.1.1** This Tariff is for a permanent standard service. This tariff is neither a special promotion nor a readjustment.
- 2.1.2** This tariff contains rates and charges applicable to Prepaid Mobile Broadband service.
- 2.1.3** This tariff will be effective as of the date established in this tariff and will automatically cease being effective if, subject to ictQATAR approval, Ooredoo publishes a new tariff for this service or publishes notification on its webpage that this tariff is no longer effective.
- 2.1.4** From time to time, and subject to ictQATAR approval, Ooredoo may publish promotions and readjustments on its webpage or by other means. Such promotions and readjustments will automatically modify this tariff as specified by Ooredoo as of the date Ooredoo publishes such promotions or readjustments.
- 2.1.5** These terms and conditions are in addition to the terms and conditions specified in other tariffs and/or the GT&C where referenced.

3. Service Description

- 3.1.1** The Prepaid Mobile Broadband service facilitates wireless broadband network access including access to the internet for consumers preferring the convenience of paying in advance for a period of usage with an option to extend such usage if required. The service is provided via a 'data-only' SIM card used either directly in a subscriber's device or via use of a USB or MiFi modem.
- 3.1.2** **Commencement of Service:** The subscriber will be provided with a Welcome Pack that comes in the form of a Data-only SIM card with an optional USB modem if required.
- 3.1.3** **Top-up options:** The subscribers will have the option of topping up their services in increments of 7 days.
- 3.1.4** The service is activated automatically from initial use of the data-only SIM card and not necessarily from the date of SIM card purchase.
- 3.1.5** **Charging:** Subscribers will be charged at the rates set out in Section 4 of this tariff.
- 3.1.6** The customer will be notified via SMS messages as their prepaid period of service validity is nearing expiry. Such SMS messages are deliverable to the vast majority of mobile broadband devices.
- 3.1.7** If the customer's service validity period expires, they will be entitled to a grace period of 30 days prior to full cancellation and recycling of their data-only SIM card number.
- 3.1.8** The customer can recharge their Prepaid Mobile Broadband service at any time during an existing period of service validity or 30 day grace period using a variety of payment methods for 'top-up'. In the event that a customer recharges their account prior to the expiry of their existing service period, the customer will still receive their full existing service period and that of any additional 'top-up' i.e. existing service period validity will be carried over.
- 3.1.9** The subscriber can recharge their Prepaid Mobile Broadband service via 'top-ups' in increments of 7 days service duration. Charge rates for service 'top-ups' are included in the service charge rate table in Section 4 herein.
- 3.1.10** The Prepaid Mobile Broadband service facilitates wireless broadband network access including access to the internet for consumers. The service is provided via a 'data-only' SIM card used directly in a subscriber's device (e.g. tablet, MIFI, USB modem, etc).
- 3.1.11** **Minimum Service Period:** The minimum service period for the Mobile Broadband Service is three (3) month commencing from the date of activation of service unless the customer subscribes to a mobile saver plan.
- 3.1.12** **Coverage:** The coverage for the various technologies (e.g. 3G, 4G/LTE, etc) can be found on the Ooredoo website.
- 3.1.13** Speed Achieved:
- 3.1.14** Speed achieved is dependent on the network and data device rating.
- 3.1.15** The available network speed is best efforts and dependent on the subscriber's coverage, distance from the base station and current usage load on the cell.

4. Service Features and Charge rates

- 4.4.4 Roaming is offered by Ooredoo's international roaming partners. Ooredoo is not responsible for quality of service or coverage made available to Users while Roaming.
- 4.4.5 Roaming coverage may change without notice. Ooredoo is not responsible for those networks and services that are not available while roaming and does not make any representations regarding the quality of service while roaming.
- 4.4.6 Customers have the option to bar the roaming element of the service, instructions for which can be obtained by visiting any Ooredoo retail outlet, calling the Ooredoo Customer Service Centre or via the Ooredoo website.

5. Service Provider Obligations

- 5.1 Commencement of Service:** The subscriber will be provided with a Data Only SIM card. When the Data Only SIM card is placed in the subscriber's Data Device, the Data Device will be registered into Ooredoo's mobile network and the subscriber will have access to the service. The service shall commence from the date of activation of service.
- 5.2** Ooredoo will fully reimburse the subscriber for the Postpaid Mobile Broadband service if the subscriber is consistently unable to receive service during the minimum service period in locations that Ooredoo has advertised as being covered with the exception of the service availability and limits described in section 3.1.12
- 5.3** Ooredoo shall exercise all reasonable efforts to provide access that is continuous, except in cases in which the provision of service is affected as set forth in other applicable sections of this tariff and/or the GT&C.
- 5.4 Service Availability and Limits:**
- 5.4.1** Certain factors, such as network changes, traffic volume, transmission limits, service outages, technical limitations, signal strength, customer device, terrain, structures, weather, or other conditions that may arise from time to time, may interfere with actual service quality and availability.
- 5.4.2** Connection may be interrupted, dropped, refused or limited. Ooredoo will not be liable for any service limits due to these conditions that may arise from time to time, subject to our statutory, licence and other obligations.

6. Subscriber Obligations

- 6.1 **Equipment:** The Subscriber may acquire equipment from a third-party, provided that all equipment used to connect to Ooredoo's network complies with the technical standards and specifications described in Ooredoo's GT&C.
- 6.2 **Data-only SIM Card:** It is the subscriber's responsibility to keep safe the SIM card that is provided to them. SIM Cards are easily damaged and should be handled with care. The subscriber must promptly notify Ooredoo if the SIM Card is damaged. In the event of loss or theft of the subscriber's SIM Card, the subscriber must notify Ooredoo within forty-eight (48) hours of becoming aware of such loss or theft. The subscriber may be charged in the event of loss or theft of the SIM Card.
- 6.3 The subscriber shall comply with any reasonable request by Ooredoo concerning the configuration of the subscriber's data device, data-only SIM Card and/or the use of the service.
- 6.4 Ooredoo may require the subscriber to submit information reasonably related to their service, data device or data-only SIM card.
- 6.5 The customer must notify Ooredoo of such change within 14 days in the case of change of customer billing address.
- 6.6 The subscriber undertakes to use the service personally and for the subscriber's own private interest, and shall not transfer the service or assign it to a third party without obtaining Ooredoo's prior written consent.
- 6.7 The service requires no customer involvement for termination. Dependent upon the length of service duration, the data-only SIM service capability will automatically suspend after 7 days at which point the SIM can be removed and discarded.

7. Mobile Number Portability

7.1.1 Porting of mobile number away from Qtel

7.1.2 Subscriber may port mobile number: The Subscriber may port a mobile number allocated to the Subscriber by Qtel to the OLO by requesting the port of that mobile number from the OLO. Not all mobile numbers will be technically capable of being ported.

7.1.3 Charges payable as at date of port: The Subscriber cannot port a mobile number to the OLO until all invoiced charges that are outstanding at the time the Subscriber requests the port are fully paid. If charges are outstanding at the time the Subscriber requests a port, Qtel will inform the Subscriber of the amount payable and the timeframe in which that payment must be made to avoid the cancellation of the Subscriber's port request.

7.1.4 Charges that are owed but which have not been invoiced also payable: The Subscriber must pay all charges that have been incurred by the Subscriber but which have not been invoiced by Qtel as at the date of the port, including any early contract termination fees. Qtel will issue the Subscriber with a final invoice in respect of those charges. If the final invoice is not paid:

7.1.4.1 within 30 days of the invoice date, Qtel may direct the OLO to bar the ability of Users to make outgoing calls (except for calls to emergency service organization numbers and operator service numbers), send SMS/MMS, access data services and any other outgoing services using the ported mobile number;

7.1.4.2 within 45 days of the invoice date, Qtel may direct the OLO to suspend the ability of Users to receive public telecommunications services using the ported mobile number; and

7.1.4.3 Within 60 days of the invoice date, Qtel may direct the OLO to terminate the supply of the public telecommunications services in respect of the ported mobile number. The Subscriber may lose the right to use the ported mobile number if the invoiced charges are not paid within a certain period after the date of termination.

7.1.5 Termination: This agreement will automatically terminate on the earlier of:

7.1.5.1 the date on which all invoiced charges under this agreement (including charges invoiced after the date of porting) are received by Qtel; and

7.1.5.2 the date that the supply of public mobile telecommunications services to the Subscriber is terminated by the OLO due to non-payment of Qtel's outstanding invoices, if applicable.

7.1.6 Porting of mobile numbers to Qtel:

7.1.7 A Subscriber that ports a mobile number from the OLO to Qtel must pay all charges that are owed to the OLO in respect of that ported mobile number, notwithstanding the fact that the Subscriber has ceased to acquire public mobile telecommunications services from the OLO.

7.1.8 If the Subscriber does not pay all outstanding charges to the OLO in respect of that ported mobile number:

7.1.8.1 Within 30 days of the invoice date, Qtel will, upon request of the OLO, bar the ability of Users to make outgoing calls (except for calls to emergency service organization numbers and operator service numbers), send SMS/MMS, access data services and any other outgoing services using the ported mobile number;

7.1.8.2 within 45 days of the invoice date, Qtel will, upon request of the OLO, suspend the ability of Users to receive public telecommunications services using the ported mobile number; and

- 7.1.8.3** Within 60 days of the invoice date, Qtel will, upon request of the OLO, terminate the supply of the public telecommunications services in respect of the ported mobile number. The Subscriber may lose the right to use the ported mobile number if the invoiced charges are not paid within a certain period after the date of termination.
- 7.1.9** If the Subscriber requests the porting of a mobile number to Qtel and it is subsequently discovered that the port has been made in error, is fraudulent or the Subscriber does not otherwise have the right to port that mobile number to Qtel, Qtel may take such measures as are necessary to address this issue, including returning the ported number to the original range holder.
