Proposed Tariff Modifications:

Modification of section: 4.2.3 (Charging for Shahry Value Packs – SVP's)

Introduction of an 'International key' for the Shahry Value Packs (SVP's)

For the 'International Key' (customers will pay an additional QR100 per month on top of their current monthly SVP plan). This will allow customers to use the included local minutes and local messages for the following call types:

- International Calls
- Receive incoming roaming calls while roaming
- Sending international messages (SMS/MMS)
- Sending roaming messages whilst roaming (SMS/MMS)

This international and roaming 'Key' will be an opt-in service and subscribers will need to text 'IR Key' to the short code 144 to enable the service. Likewise customers can opt-out by texting 'IR Key STOP' to the short code 144.
