License	Public Mobile Telecommunications Networks and Services
Tariff Number	B30-01
Service Name	Ooredoo Business Landline and Business Fiber Broadband
Tariff Type	Promotion
Tariff Effective Date	6 th of September 2018
Tariff Notification Date	6 th of September 2018

Tariff Modifications:

- The promotion will run up to three (3) months and will be applicable to Ooredoo's new and existing Business customers.
- Existing Business customers with current subscription(s) to 15Mbps Business Fiber Broadband plan can upgrade these subscriptions to the Business Fiber Broadband 60Mbps plan and pay a discounted price of QAR 825 per month (instead of standard price of QAR 1099 per month) for this plan for twelve (12) months from the day of activation.
- New Business customers with no existing Business Fiber Broadband service subscription can subscribe to the Business Fiber Broadband 60Mbps plan and pay a discounted price of QAR 825 per month (instead of normal price of QAR 1099 per month) for this plan for twelve (12) months from the day of activation.
- After the discounted period ends, the business customer will be charged the full price of QAR 1099 per month if they continue their subscription to 60Mbps plan.

Conditions: The following conditions apply:

- In case of early termination (i.e. within 3 months from activation of the 60Mbps plan) customer will have to pay full price of 60Mbps (QAR 1099) plan for the remaining part of the minimum 3-month-service period.
- Any upgrade / downgrade from the 60 Mbps within 12 months of the offer activation will void the promotional offer.
- Master Service Agreement for Business Applies.
- General Terms and Conditions Applies.
