## 2 Tariff Terms and Conditions

13. This tariff is for a permanent standard service. This tariff is neither a special promotion nor a readjustment.
14. This tariff contains rates and charges applicable to the Postpaid Mobile Broadband service.
15. This tariff will be effective as of the date established in this tariff and will automatically cease being effective if, subject to CRA approval, Ooredoo publishes a new tariff for this service or publishes notification on its webpage that this tariff is no longer effective.
16. From time to time, and subject to CRA approval, Ooredoo may publish promotions and readjustments on its webpage or by other means. Such promotions and readjustments will automatically modify this tariff as specified by Ooredoo as of the date Ooredoo publishes such promotions or readjustments.
17. These terms and conditions are in addition to the terms and conditions specified in other tariffs and/or the GT&C where referenced.
18. Ooredoo may offer up to 20% discount on the products or services from time to time on the permanent or promotional basis as per the Article 3.9 of the Retail Tariff Instructions (RTI).

### 3 Service Description

19. The Postpaid Mobile Broadband service facilitates wireless broadband network access including access to the internet for consumers. The service is provided via a 'data-only' SIM card used directly in a subscriber's device (e.g. tablet, MIFI, USB modem, etc.).
20. **Minimum Service Period:** The minimum service period for the Mobile Broadband Service is three (3) months commencing from the date of activation of service unless the customer subscribes to a mobile saver plan or for events
21. **Service validity:** The Post-Paid Mobile Service will continue to be active and valid subject to payment of the Subscriber's bill at the end of each monthly billing cycle.
22. **Coverage:** The coverage for the various technologies (e.g. 3G, HSDPA, HSUPA, 4G/LTE, etc) can be found on the Ooredoo website.
23. Speed Achieved:
  - 23.1 Speed achieved is dependent on the network and data device rating.
  - 23.2 The available network speed is best efforts and dependent on the subscriber's coverage, distance from the base station and current usage load on the cell.

## 4 Service Features and Charge Rates

### 4.1 Postpaid Mobile Broadband Bundles

24. Conditions:

24.1 Customers will receive a mobile data usage sheet within their monthly postpaid bill. This will detail all mobile data usage in excess of that customer’s data allowance, and any applicable charges for this excess usage.

24.2 Both downloaded and uploaded data are accounted for in the subscriber’s usage.

24.3 The subscriber will be subject to the monthly recurring charge irrespective of whether the subscriber consumes their monthly data usage allowance/bundle.

24.4 The subscriber will receive an SMS message in both English and Arabic to notify the subscriber when they have: i) utilized 80% of their bundle limit, and ii) exceeded their bundle limit.

24.5 Once the subscriber exceeds the monthly data usage allowance/bundle limit, the subscriber will be charged the ‘Out of Bundle’ usage rate multiplied by the subscriber’s excess usage per month rounded to the nearest MB.

24.6 The subscriber may not rollover any unused data allowance to the next charging period.

24.7 The subscriber may move from one bundle to another at the end of the charging period.

24.8 The Subscriber can restore the speed by purchasing one of the following:

*Table 8 Additional Devices Installment Plans*

64.1 In the event of the early termination of the device installment plan, the customer will be liable to pay reminder of the installment amounts as one-time payment.

## 5 Service Provider obligations

65. **Commencement of Service:** At the commencement of service the subscriber will be provided with a Data Only SIM card. When the Data Only SIM card is placed in the subscriber's Data Device, the Data Device will be registered into Ooredoo's mobile network and the subscriber will have access to the service. The service shall commence from the date of activation of service.
66. Ooredoo will fully reimburse the subscriber for the Postpaid Mobile Broadband service if the subscriber is consistently unable to receive service during the minimum service period in locations that Ooredoo has advertised as being covered with the exception of the service availability and limits described in section 3.
67. Ooredoo shall exercise all reasonable efforts to provide access that is continuous, except in cases in which the provision of service is affected as set forth in other applicable sections of this tariff and/or the GT&C.
68. Service Availability and Limits:
  - 68.1 Certain factors, such as network changes, traffic volume, transmission limits, service outages, technical limitations, signal strength, customer device, terrain, structures, weather, or other conditions that may arise from time to time, may interfere with actual service quality and availability.
  - 68.2 Connection may be interrupted, dropped, refused or limited. Ooredoo will not be liable for any service limits due to these conditions that may arise from time to time, subject to our statutory, license and other obligations.

## 6 Customer Obligations

69. **Equipment:** The Subscriber may acquire equipment from a third-party, provided that all equipment used to connect to Ooredoo's network complies with the technical standards and specifications described in Ooredoo's GT&C.
70. **Data-only SIM Card:** It is the subscriber's responsibility to keep safe the SIM card that is provided to them. SIM Cards are easily damaged and should be handled with care. The subscriber must promptly notify Ooredoo if the SIM Card is damaged. In the event of loss or theft of the subscriber's SIM Card, the subscriber must notify Ooredoo within forty-eight (48) hours of becoming aware of such loss or theft. The subscriber may be charged in the event of loss or theft of the SIM Card.
71. The subscriber shall comply with any reasonable request by Ooredoo concerning the configuration of the subscriber's data device, data-only SIM Card and/or the use of the service.
72. Ooredoo may require the subscriber to submit information reasonably related to their service, data device or data-only SIM card.

73. Resale: The Subscriber cannot resell the service if (s)he does not qualify as an Eligible Person, within the framework set by the Class License for the Resale of Retail Telecommunications Services issued by the Communication Regulatory Authority (CRA) (<https://www.cra.gov.qa/en/document/class-license-for-the-resale-of-retail/telecommunications-services>) and without a prior written approval by Ooredoo. Failure to comply with the above provision will result in the Services being immediately terminated and in the Subscriber being held responsible for the legal, regulatory and financial consequences of his/her behavior.

## 7 Mobile number portability

### 7.1 Porting of mobile number away from Ooredoo

74. **Subscriber may port mobile number:** The Subscriber may port a mobile number allocated to the Subscriber by Ooredoo to the OLO by requesting the port of that mobile number from the OLO. Not all mobile numbers will be technically capable of being ported.
75. **Charges payable as at date of port:** The Subscriber cannot port a mobile number to the OLO until all invoiced charges that are outstanding at the time the Subscriber requests the port are fully paid. If charges are outstanding at the time the Subscriber requests a port, Ooredoo will inform the Subscriber of the amount payable and the timeframe in which that payment must be made to avoid the cancellation of the Subscriber's port request.
76. **Charges that are owed but which have not been invoiced also payable:** The Subscriber must pay all charges that have been incurred by the Subscriber but which have not been invoiced by Ooredoo as at the date of the port, including any early contract termination fees. Ooredoo will issue the Subscriber with a final invoice in respect of those charges. If the final invoice is not paid:
- 76.1 within 30 days of the invoice date, Ooredoo may direct the OLO to bar the ability of Users to make outgoing calls (except for calls to emergency service organization numbers and operator service numbers), send SMS/MMS, access data services and any other outgoing services using the ported mobile number;
- 76.2 within 45 days of the invoice date, Ooredoo may direct the OLO to suspend the ability of Users to receive public telecommunications services using the ported mobile number; and
- 76.3 within 60 days of the invoice date, Ooredoo may direct the OLO to terminate the supply of the public telecommunications services in respect of the ported mobile number. The Subscriber may lose the right to use the ported mobile number if the invoiced charges are not paid within a certain period after the date of termination.
77. **Termination:** This agreement will automatically terminate on the earlier of:

- 77.1 the date on which all invoiced charges under this agreement (including charges invoiced after the date of porting) are received by Ooredoo; and
- 77.2 the date that the supply of public mobile telecommunications services to the Subscriber is terminated by the OLO due to non-payment of Ooredoo's outstanding invoices, if applicable.

## 7.2 Porting of mobile numbers to Ooredoo

- 78. A Subscriber that ports a mobile number from the OLO to Ooredoo must pay all charges that are owed to the OLO in respect of that ported mobile number, notwithstanding the fact that the Subscriber has ceased to acquire public mobile telecommunications services from the OLO.
- 79. If the Subscriber does not pay all outstanding charges to the OLO in respect of that ported mobile number:
  - 79.1 within 30 days of the invoice date, Ooredoo will, upon request of the OLO, bar the ability of Users to make outgoing calls (except for calls to emergency service organization numbers and operator service numbers), send SMS/MMS, access data services and any other outgoing services using the ported mobile number;
  - 79.2 within 45 days of the invoice date, Ooredoo will, upon request of the OLO, suspend the ability of Users to receive public telecommunications services using the ported mobile number; and
  - 79.3 within 60 days of the invoice date, Ooredoo will, upon request of the OLO, terminate the supply of the public telecommunications services in respect of the ported mobile number. The Subscriber may lose the right to use the ported mobile number if the invoiced charges are not paid within a certain period after the date of termination.
- 80. If the Subscriber requests the porting of a mobile number to Ooredoo and it is subsequently discovered that the port has been made in error, is fraudulent or the Subscriber does not otherwise have the right to port that mobile number to Ooredoo, Ooredoo may take such measures as are necessary to address this issue, including returning the ported number to the original range holder.
