<sup>1</sup> The Throttled Data is an additional local data allowance at given speed on top of the Endless Local data with promotion. Once the Throttled Data is consumed, the Throttled Data will change to Unlimited Data at lower speed.

## Terms and Conditions

1. This offer is available on an opt-in basis via account managers.
2. The minimum service period of three (3) months applies.
3. The promotion is applicable for new customers and existing customers upgrading their plans.
4. Promotional allowances shown in the table are complete allowance for a billing cycle. These are not over and above the standard allowances.
5. After the promotional benefits expire, the customer will be automatically reverted back to the standard plan's benefits.
6. If the Customer terminates the service before the end of the discount period (12 months), the Customer will be liable to pay back the discounts already received. For example, if the monthly discount is 10 QAR per month, and the customer terminated the contract after 9 months, the customer shall pay back 90 QAR (i.e. monthly discount received X No of months)
7. A valid Commercial Registration (CR) is required to obtain this promotion for verification purposes.
8. All Terms and Conditions of the individual tariffs (B03-01) apply.
9. Master Service Agreement for Business apply.
