Promotion on National IP VPN services (December 2024)

New customers who subscribe to National IP VPN services or existing customers who upgrade their services to a higher speed will receive twenty five percent (25%) discount on the monthly recurring charge for twelve (12) months.

Terms and Conditions

1. This promotion is available on an opt-in basis via account managers.
2. A valid Commercial Registration (CR) is required for verification purposes to obtain this promotion.
3. The minimum service period of three (3) months applies.
4. If a customer terminates the service before the end of the discount period (12 months), the customer will be liable to pay back the discounts already received. For example, if the monthly discount is 10 QAR per month, and the customer terminated the contract after 9 months, the customer shall pay back 90 QAR (i.e., monthly discount received X No of months).
5. After the promotional benefits expire, the customer will be automatically reverted back to the standard monthly recurring charge.
6. Subject to a signed agreement between Ooredoo and a customer, Ooredoo may extend the duration of the discounted monthly recurring charge. In such case, the subscribers to this promotional offer will be able to retain the benefits of the promotion on their Ooredoo lines after the 12-month promotion period has expired. For the avoidance of doubt when retaining the benefits of the promotion after the 12-month promotion period has expired the customer will not face early termination payments and may cancel the service subscription at any time.

7. Ooredoo may offer up to 20% discount on the products or services from time to time on the permanent or promotional basis as per the Article 3.9 of the Retail Tariff Instructions (RTI).
8. All Terms and Conditions of the individual tariffs (B14-01) and Master Service Agreement for Business apply.
