Table 1 Home + Plans

36. The service also includes calls to Ooredoo and other fixed operators' landlines. Charges for national calls to mobile, for international calls and for other services are listed in section 4.3 below.

<sup>1</sup> All Home+ plans are activated with complimentary Merhaba package with preselected TV channels

### **C05-03 Fiber broadband services**

- 37. Customers can add FTTR services (ref. tariff C05-05) on top of their selected Home+ plans. Additional charges apply.
- 38. The entertainment services require activation by the customer and can be redeemed using the Credits. More information on how to activate the entertainment services can be found at [www.ooredoo.qa](http://www.ooredoo.qa).
- 39. Customers may elect not to take the Android STB(s). No discount on the monthly recurring charge will be applied in this instance.
- 40. New Customers and Grandfathered/Returning Customers subscribing to a Home+ Plan who do not have an Ooredoo approved Wi-Fi device must take at least one included Wi-Fi device. Cancellation charges outlined in Section 3.1.8. below apply.
- 41. Returning or Grandfathered Customers (with an Ooredoo approved Wi-Fi device) may elect not to take an included Wi-Fi device. No discount on the monthly recurring charge will be applied in this instance.
- 41.1 New customers who subscribe to Home+ plans will get their installation fees waved (QAR 300) with a commitment period of twelve (12) months.
- 41.2 If the customers terminate their Home+ plans before the commitment period ends, they must pay back the installation fees (QAR 300).
- 41.3 If the customers terminate their Home+ subscription after the commitment period ends, no installation fees will be applied.

#### **3.1.2.1 Ooredoo TV app**

- 42. Subscribers of Home+ plans will receive access to Ooredoo TV via Ooredoo TV app included in their plans.
- 43. The Ooredoo TV app is available for use on compatible smart TVs, including Android TV OS, Android TV boxes and dongles, Samsung (Tyzen OS), LG (WebOS) and Apple TV box ("**Smart TV Devices**"). The list of compatible devices is available on our website at <https://www.ooredoo.qa/web/en/otv-deviceless/> and in our commercial branches.
- 44. If the Smart TV Devices of the subscribers to Go and Go Entertainment plans are not compatible with Ooredoo TV app, the subscribers can rent the set-top box (STB) for 25 QAR/m.
- 45. Subscribers must download the Ooredoo TV app to enjoy seamless entertainment on a single device. They can set up Ooredoo TV by simply downloading the app and logging in with their provided credentials.

### **C05-03 Fiber broadband services**

- 46. The Ooredoo TV app can only be used within your home when connected to your Home+ service. It is not available for use outside your home, including abroad.
- 47. The Ooredoo TV app is designed to work with one Smart TV Device at a time. If you want to watch Ooredoo TV on multiple Smart TV Devices, you will need to order an Ooredoo TV set-top box for your other devices.
- 48. The Ooredoo TV app pairs your account with one Smart TV Device automatically when you first log in. If you wish to change the device, you must unpair the current device from your account through the Ooredoo app and then log in on the new Smart TV Device.

### **3.1.3 Credits and redemption of entertainment services**

- 49. Plans come with Credits which can be redeemed for entertainment services (TV packs and streaming services). The redemption allows customers to build their TV viewing whilst allowing the selection of TV and streaming services.

The new TV packs (and channels)<sup>2</sup> and the streaming services, along with the Credits needed to redeem the entertainment services are available at <https://www.ooredoo.qa/web/en/home-plus/>.

- 50. At least one (1) TV pack redemption is required before any Streaming services redemption.
- 51. Customers subscribed to Go Entertainment plan can redeem their standard credits (5) only for streaming services.
- 52. Five (5) Credits or five (5) purchased credits may also be used for additional Multi room TV, providing at least two (2) TV pack redemptions have been made.
- 53. Customers can purchase an additional 10 credits for QAR 75 per month.
- 54. All plans include the TV pack Marhaba for which no credits are needed.
- 55. Sport Package is also available for Next Generation Ooredoo ONE for 20 credits per month. Legacy customers can subscribe to Sport Package for 150 QAR per month.

### **3.1.4 STB Android and Wi-Fi devices ownership and liabilities**

- 56. Ooredoo is the owner of Android STB, which should be returned to Ooredoo shops in case of termination of the service. The customer will not be charged if the STB is returned within twelve (12) months of service activation.

---

<sup>2</sup> Customers subscribed to TV packs that were available prior the effective date of the tariff version 025 will retain subscriptions to these packages unless they decide to change them. Once these customers decide to leave the old TV packs, they can only select TV packs from the new TV packs offer.

### **C05-03 Fiber broadband services**

- 57. Non-return of any Android STB within twelve (12) months of service activation will incur a prorated charge on QAR 365 per STB device.
- 58. New customers and Grandfathered/Returning customers who take an included Wi-Fi device will be the owner of the device. Terminations within twelve (12) months of service activation will incur a prorated charge on:
  - 58.1 480 QAR for each Wi-Fi router for the Go and for the Premium plans,
  - 58.2 2,400 QAR for the Fiber to the Room Primary and one Secondary device for the Super Entertainment and Elite plans.
- 59. Termination charges for Grandfathered Customers taking a Home + Plan who do not take an included Wi-Fi device will only apply for the remaining duration (if any) of the loan of their existing Wi-Fi device.
- 60. Termination charges for Returning Customers taking a Home+ Plan who do not take an included Wi-Fi device will not apply.
- 61. Multi Room TV is available for QAR 25 per month. Customers are charged QAR 150 for the installation, irrespective of the number of multi-room devices taken.
- 62. The terms applicable to charges for Router device provided by Ooredoo are specified for individual situations below. Note that to ensure good and consistent customer service experience and to expedite resolution of potential broadband service interruptions, Ooredoo customers are asked to use Wi-Fi device provided by Ooredoo.

#### **3.1.5 Customer Moving Home**

- 63. Customers with existing grandfathered plans may move with that plan to the new address. Customers will be charged an installation fee of QAR 300.
- 64. Customers moving on Ooredoo Next Gen plans tariff or those that select new Home+ plans shall not incur any installation charges.
- 65. Any payments remaining on the Router may be carried forward i.e., the Customer is not required to pay all remaining payments at the time of changing their address.

#### **3.1.6 Transfer of service ownership**

- 66. Customers may transfer their Ooredoo Home+ plans, excluding:
  - 66.1 Additional purchased Credits should be terminated immediately while plan credits should be transferred to the new Owner.
  - 66.2 Streaming Services, which will be terminated immediately.
- 67. All CPE entitlements must be transferred as a condition of transfer.

### **C05-03 Fiber broadband services**

- 68. Customers may not transfer their Home+ with changes to their portfolio i.e., it should be LIKE-LIKE transfer with the above conditions.
- 68.1 Customer must repay the outstanding loan on the STB or Router (if any) before transferring services to another person.
- 68.2 New customers have the option to purchase a new Broadband device or take the existing one from transferee.
- 68.3 The connection fee of QAR 300 will not be charged.

#### **3.1.7 Moving from Grandfathered plans to Ooredoo Next Gen plans**

- 69. Customers will not be charged a connection fee of QAR 300.
- 70. Customers may carry their Router forward. Any payments remaining on the Router are also carried forward.

#### **3.1.8 Service termination**

- 71. Customer is requested to repay charges outstanding, including any loan payments outstanding on the supplied Router.

#### **3.1.9 Returning Customers**

- 72. Customers who previously had Ooredoo's Fiber Broadband with an approved Broadband Device can be re-provisioned at retail outlets with the same landline number (if available) and without need to purchase a new Broadband device.
- 73. The maximum time-period allowed from termination to re-provisioning is 6 months.
- 74. In each case the customer will have to pay an installation fee of QAR 300.

#### **3.1.10 Suspension of the service**

- 75. Subscribers have the option to suspend their services for up to two (2) months. During this suspension period, subscribers will not be subject to their monthly recurring charges but will incur a fee of 100 QAR per month of suspension.
- 76. The service will automatically resume after two (2) months, and subscribers will be notified via SMS of the resumption.
- 77. At any time, subscribers may request Ooredoo to reinstate the service before the end of the suspension period. Upon conclusion of the suspension period, subscribers will revert to their original plans and monthly recurring charges.
- 78. The resumption of the service is for free.
- 79. This suspension request can be made only once per year.

## 4.4 Landline Value Added Services

94. Number change announcement: The service allows the Customer to benefit from a temporary recorded message announcing a permanent change in their telephone number.

### C05-03 Fiber broadband services

95. Call line identification (CLI): The service allows the called Customer to view a calling party's directory number.
96. Call Waiting: The service allows a user to be notified of another incoming call while a call is already in progress and gives the user the ability to answer the second call while the first call remains on 'hold'.
97. Conference calling: The service allows a telephone call to be established in such a way that three or more stations can communicate directly with all the other stations.
98. Call forwarding: The service allows the customer to forward incoming calls to another phone number.
99. International call barring: International Call Barring is a facility that prevents a landline from originating international calls
100. Audiotext: is an Interactive Voice Response (IVR) which provides information in the form of recorded messages over telephone lines in response to caller input.
101. Hunting Facility: The service allows multiple telephone lines to single residential premises to act collectively as a 'hunting group'. If an individual hunting group line is engaged, the caller will be forwarded to the next available 'hunting group' line.
102. Ex-Directory: The service allows the subscriber to withhold their phone number from all directory services.
103. Outgoing call barred (OCB): Outgoing Calls Barred is a facility that prevents all outgoing calls and only allows the subscriber to receive calls.
104. Incoming call barred (ICB): Incoming Calls Barred prevents a subscriber from receiving incoming calls and only facilitates outgoing calls.

## 6 Business Residential Plans

### 6.1 Business Residential Plans for Tenants

112. Description: Businesses ("**Business Customer**") who provide residential accommodation to tenants ("**End Users**") are eligible for the Triple Play business residential plans ("**Broadband Service**") below. The Business Customer will make available the Broadband Service to an End User at residential accommodation provided to the End User. A Business Customer shall not resell<sup>3</sup> a Broadband Service on a commercial basis to an End User under any circumstances. Selling a Broadband Service on a commercial basis to an End User shall result in the cancelation of the Broadband Service by Ooredoo. Further information can be found below.

113.1 Wi-Fi access point (hub device only).

113.2 Ooredoo TV set top box.

113.3 Ooredoo TV essential pack.

114. The connection fee of QAR 300 applies per connection, except for 30mbps.

115. A Business Customer may also provide an End User with any of the Home+ plans listed in Table 1 above.

#### 116. **Conditions of provision by the Business Customer**

116.1 The Broadband Service is available with a minimum of 25 lines (REDACTED) per individual Business Customer<sup>4</sup>;

116.2 Ooredoo may as per Article 3.9 of the Retail Tariff Instructions ("RTI") offer a discount of up to 20% on the Broadband Service. In such cases, a twelve (12) month commitment period will apply for the Business Customer. If the Broadband Service is terminated by the Business Customer during the 12-month period, Ooredoo will charge back all the discounts offered by that date. Under no circumstances, the Business Customers allowed to recover such termination charges from the End users.

116.3 For those Business Customers who have committed to a twelve (12) month commitment period, at the signature of the contract, the Business Customers will be notified in writing by

118. The offer can be procured by Business Customers via Ooredoo business sales account representatives.
119. The Business Customer subscribes to the Broadband Service and pays all fees included in Table 12 or Table 1 above. The purpose of subscription is to provide a Broadband Service at the End User's place of residence (rental accommodation).
120. Prior to offering the service to an End User the Business Customer must sign an agreement ("**Agreement**") with Ooredoo agreeing to compliance with the CLASS LICENSE for the Resale of Retail Telecommunications Services, Version 3 dated June 20, 2022, (ref. CRARAC2022/06/20-1) by not offering the Broadband Service to an End User for sale or lease in return for a direct or indirect fee. The Agreement must be provided to the CRA by Ooredoo upon request by the CRA. It is the responsibility of Ooredoo to ensure the Business Customer's continued compliance with the Agreement for the term of the contract between Ooredoo and the Business Customer.
121. Prior to a rental agreement being signed between an End User and a Business Customer the Business Customer must inform, in writing, the Ender User of the availability of the Broadband Service at their place of residence including (but not limited to):
  - 121.1 the availability of the Broadband Service for use by the End User at their residential premise and that the Broadband Service is not being sold or leased on a commercial basis to the End User.
  - 121.2 all terms and conditions associated with Broadband Service.
  - 121.3 their right not to take the Broadband Service from Business Customer.
  - 121.4 if they decide not to take the Broadband Service, they have the right to take a broadband service from an alternative service provider.

### C05-03 Fiber broadband services

122. An End User who decides to take the Broadband Service from the Business Customer, must be informed, in writing, by the Business Customer and prior to signing any rental agreement with the Business Customer of:
  - 122.1 their requirement to contact the Business Customer (or an authorized representative of the Business Customer) for all customer service enquiries related to the Broadband Service such as:
    - (a) Plan changes.
    - (b) Technical issues or hardware issues.
    - (c) Complaints (complaints directed to either against Ooredoo or for submission to the CRA).
    - (d) Terminate of the Broadband Service. If they terminate their Broadband Service, the right to take a broadband service from an alternative service provider.
  - 122.2 their requirement to contact Ooredoo Customer Service to request
    - (a) Additional paid services from Ooredoo (at the expense of the End User) to be delivered over the Broadband Service e.g., OSN pack, BeIN Sport, etc.
    - (b) (Where applicable) additional paid services (at the expense of the End User) from an alternative service provider e.g., streaming services from Netflix etc.
123. For avoidance of doubt, no exclusivity agreement for the provision of the Broadband Service by Ooredoo only at the Business Customer's premises can be agreed between Ooredoo and the Business Customer.
124. It is the responsibility of Ooredoo to ensure the Business Customer maintains all required records of the End User to ensure compliance with the security requirements of the State of Qatar with respect to the use of telecommunications equipment by an individual within Qatar.
125. Fair Usage Policy: The Service is provided to the subscriber as 'unlimited' fiber broadband access subject to a 'Fair Usage Policy' found at [www.Ooredoo.qa](http://www.Ooredoo.qa).
126. Master Service Agreement for Business Apply.

### **C05-03 Fiber broadband services**

129. A Business Customer may also provide an End User with any of the Home+ plans listed in Table 1 above.
130. **Conditions:**
- 130.1 The Employer subscribes to the Broadband Service on behalf of the Employee and pays all fees included in Table 14 above. The Broadband Service is made available at the Employee's place of residence, which may be a private residence or Employer accommodation. There is no maximum or minimum number of Broadband Services per individual Employer subscription.
- 130.2 The offer can be procured by the Employers via Ooredoo business sales account representatives.
- 130.3 The Employer must inform the Employee in writing of:
- (a) the availability of the Broadband Service for use by the Employee at their residential premise/staff accommodation and that the Broadband Service is not being sold or leased on a commercial basis to the Employee.
  - (b) their requirement to contact the Employer (or an authorized representative of the Employer) for all customer service enquiries related to the Broadband Service such as.
    - (i) Plan changes.
    - (ii) Technical issues/hardware issues.
    - (iii) Complaints (complaints directed to either against Ooredoo or for submission to the CRA).
    - (iv) Termination of the Broadband Service - If the Employee terminates the Broadband Service, they have the right to take a broadband service from an alternative service provider (subject to availability and at the expense of the Employee) at their place of residence
  - (c) the requirement of the Employee to contact Ooredoo Customer Service to.
    - (i) request additional paid services from Ooredoo (at the expense of the Employee) to be delivered via the Plan e.g., OSN pack, BeIN Sport, etc.
    - (ii) (Where applicable) take additional paid services (at the expense of the Employee) from an alternative service provider e.g., streaming services from Netflix etc.
- 130.4 For avoidance of doubt, no exclusivity agreement for the provision of a broadband service by Ooredoo can be agreed between Ooredoo and the Employer.

### **C05-03 Fiber broadband services**

- 130.5 It is the responsibility of Ooredoo to ensure the Employer maintains all required records of the Employee to ensure compliance with the security requirements of the State of Qatar with respect to the use of telecommunications equipment by an individual within Qatar.
- 130.6 Termination of the service by the Employer incurs fees associated with the non-return of the Android STB and with the Wi-Fi device (see below). No other termination fees (such as the minimum service period of 3 months rental) apply. Termination by the Employer can be made through the Ooredoo business sales account representative.
- 131. Android STB and Wi-Fi device - ownership and liabilities
  - 131.1 Ooredoo is the owner of Android STB, which should be returned to Ooredoo shops in case of termination of the service. The customer will not be charged if the STB is returned within twelve (12) months of service activation.
  - 131.2 Non-return of any Android STB within twelve (12) months of service activation will incur a prorated charge on QAR 365 per STB device.
  - 131.3 The Employer is the owner of the Wi-Fi device. Terminations within twelve (12) months of service activation will incur a prorated charge of 832 QAR per Wi-Fi device.
- 132. Fair Usage Policy: The Service is provided to the subscriber as 'unlimited' fiber broadband access subject to a 'Fair Usage Policy' found at [www.Ooredoo.qa](http://www.Ooredoo.qa).
- 133. Master Service Agreement for Business Apply.

## **7 Service provider obligations**

- 134. Some or all fiber broadband services may not be available in the subscriber's area, their specific location or may not be compatible with their specific landline connection. In order to verify that Ooredoo can provide this service, Ooredoo will need to do the following:
- 135. Verify that the subscriber's landline is in an area where they can receive broadband services.
- 136. Verify that the technical characteristics of the subscriber's landline can support broadband services which may require performing a landline test.
- 137. Ooredoo is responsible for servicing and providing technical maintenance of the service. Ooredoo will not provide any maintenance of the subscriber's equipment, including any additional equipment necessary to connect the service. Ooredoo is not responsible for any delays caused in the installation due to the subscriber's absence at the agreed installation date or time.
- 138. Ooredoo may, if necessary to protect the network system, suspend, terminate or downgrade a particular broadband service.

## **C05-03 Fiber broadband services**

### **8 Subscriber obligations**

139. Minimum service period: The minimum service period for the fiber broadband service is three (3) months commencing from the date of activation of service. Subscribers terminating before the end of the minimum service period will be liable to pay any outstanding monthly recurring charges for the full minimum service period.
140. Subscribers are responsible for backing up their entire systems before broadband installation takes place and ensuring that the software installed in their computer equipment (and other devices) is compatible with the service and related software.
141. Equipment: With the exception of the CPE equipment provided by Ooredoo, the subscriber may also acquire the equipment that they intend to use to receive the service from a third-party, provided that all equipment used to connect to Ooredoo's networks and facilities is approved by CRA and is compliant with current requirements for technical standards and specifications. Ooredoo's General Terms and Conditions for Consumer Services, Article 11 (Connecting Subscriber Equipment).
142. The Subscriber shall comply with any reasonable request by Ooredoo concerning the configuration of their devices and/or the use of the service.
143. Ooredoo may require the subscriber to submit information reasonably related to the service or their connected data devices.
144. Resale: The Subscriber cannot resell the service if (s)he does not qualify as an Eligible Person, within the framework set by the Class License for the Resale of Retail Telecommunications Services issued by the Communication Regulatory Authority (CRA) (<https://www.cra.gov.qa/en/document/class-license-for-the-resale-of-retail/telecommunications-services>) and without a prior written approval by Ooredoo. Failure to comply with the above provision will result in the Services being immediately terminated and in the Subscriber being held responsible for the legal, regulatory and financial consequences of his/her behavior.
