## 1 Definitions

1. Call Charges – the charges for the local and international calls per unit of time at the rate set out in the applicable tariff and payable monthly at the end of the billing cycle for charges incurred.
2. International Calling Card – A prepaid card that may be used to make voice calls to international destinations from any Ooredoo telephone in Qatar, including payphones, fixed-line and mobile telephones.

## 2 Tariff Terms and Conditions

3. This tariff is neither a special promotion nor a readjustment.
4. This tariff will be effective as of the date established in this tariff and will automatically cease being effective if, subject to CRA approval (where required), Ooredoo publishes a new tariff for this service or publishes notification on its webpage that this tariff is no longer effective.
5. From time to time, and subject to CRA approval (where required), Ooredoo may publish promotions and readjustments on its webpage or by other means. Such promotions and readjustments will automatically modify this tariff as specified by Ooredoo as of the date Ooredoo publishes such promotions or readjustments.
6. This tariff contains rates and charges applicable to the provision of consumer international calling cards.
7. These terms and conditions are in addition to the terms and conditions specified in other tariffs and Ooredoo General Terms and Conditions for the Provision of Consumer Telecommunications Services available at [www.ooredoo.qa](http://www.ooredoo.qa)
8. Ooredoo may offer up to 20% discount on the products or services from time to time on a permanent or promotional basis as per the Article 3.9 of the Retail Tariff Instructions (RTI).

## 3 International Calling Card
